## EARLINGTON MEN IN LIST OF WINNERS

National Shoot at Jacksonville Has Bad Weather

Jacksonville, Fla., Oct. 8.—Crack shots in the Kentucky National guard today began their individual shooting for the Leech Cup, the initial feature of the National Rifle Association's shoot, which began in a steady rain which at times made it difficult to see the targets.

Shooting today was at 800 and 900 yards. The winner of the trophy will not be known until tomorrow when the riflemen will shoot at 1,000 yards. Scores of Kentuckians were: Capt. M. T. Black, staff officer, 2nd Rgt., and Corp. Rex Hamby, Co. G., 8rd Regt., had 67 each, while Lieut. Thomas Peyton, Co. G., 8rd Regt. and Lieut. Art Deanback, Co. D., 2nd Regt., had 34 each. The Kentucky guardsmen will go to St. Augustine and other nearby points Sunday for sightseeing.

Three hundred and thirty-five expert riflemen are competing. At the conclusion of the 800-yard stage forty-nine had scored possible—seven straight bullseye. At the 900-yard stage ten of the competitors made possible. Four of these, Corporal Henshaw, Marine Corps; Sergeant Hazen, Marine Corps; First Sgt. Darchdenwald, Iowa, and Sergeant Wilson, Minnesota, also made possible at 800 yards, so they have perfect scores for the two ranges.

The skirmish match for the Graves Trophy, the concluding event of the Southern Rifle Association competition, was won today by First Sergeant A. A. Schwarz, Company B., Third Infantry, National Guard of Oregon, with ninety-eight out of a possible 100.

Peyton and Hamby Score 93 Each  
State Camp Grounds, Jacksonville, Fla., Oct. 9.—The Kentuckians won cash prizes in the finish of the Leech Cup match today, shooting at 1,000 yards, the 800 and 900-yard stages having been shot Friday. They were Capt. Black, score 96, finishing thirty-third, prize \$6; Lieut. Patton and Corporal Hamby, Tyros, seventeenth and seventeenth, each scoring 93 and getting \$3 prizes.

In the regimental team match the Second Kentucky Regiment finished eighteenth with a score of 726, and the Third Kentucky Infantry came twenty-third with a score of 716 in a field of thirty-three competitors, but failed to get in prize list. Shooting in this match was at 200 yards rapid and 600 and 1,000 yards slow fire. Capt. Short was pleased with the showing, as many others failed to do as well.

## GREAT CROWD SEES CIRCUS SATURDAY

Estimated 20,000 People in Madisonville for Big Show

The largest crowd that ever thronged the streets of Madisonville, according to the "oldest inhabitants," was there last Saturday, attracted by Barnum & Bailey's great circus, which exhibited at the fair grounds afternoon and night. A conservative estimate of the crowd there was 20,000 and it is understood between 12,000 and 15,000 saw the performance in the afternoon.

People went from practically every town in Western Kentucky and by 9 o'clock in the morning the streets were crowded. Restaurants and hotels had a great day, as did all other business houses, and several times during the day restaurant proprietors were compelled to lock their doors in order to properly handle the trade.

## JOHN W. LOGSDON, FORMER L. & N. DIVISION HEAD, DIES

Body Returned From Pensacola, Fla., Where He Went For Health

Louisville, Ky., Oct. 4.—Information of the death yesterday afternoon in Pensacola, Fla., of John W. Logsdon was received at the office of the L. & N. road last night. Mr. Logsdon, who was about 60 years old, was well known in Louisville. His body will be brought here to morrow morning. Funeral services will be held here probably to-morrow afternoon.

Mr. Logsdon began work for the L. & N. road as a telegraph operator about forty years ago. For several years he was superintendent of the Owensboro & Nashville division, with headquarters at Russellville, Tenn. For eight years he was superintendent of the Cumberland Valley division, during which time he had his headquarters at Middletown. In September 1900, he was appointed superintendent of the Henderson and St. Louis division, with headquarters at Evansville. Last December he was compelled to retire from active duty as the result of his impaired health, and went to Florida. A complication of disease caused his death. He is survived by his wife and a brother, J. E. Logsdon, who is agent for the L. & N. at Horse Cave.

## THE WORLD'S CHAMPIONSHIP

Wrestling Match Will be Pulled off in Evansville October 20

The third world championship wrestling match staged in the twentieth century will be held in Evansville on Oct. 20, between Joe Stecher, of Nebraska, and Ed Lewis, of Kentucky. The daring enterprise of Evansville promoters has brought this much talked of match to the lower Ohio Valley and sportsman in this section of the world are being banked on to show their colors by making a record attendance figure. The first championship match of the century saw Frank Gotch defeat Tom Jenkins at Bellingham, Wash. The second great match was in Chicago, where Gotch defeated Hackenschmidt. For five years, since Gotch retired, the world championship in wrestling has been a matter of dispute. The field has now narrowed to two men, Stecher and Lewis. Stecher has never had his shoulder to the mat and he has met and defeated all comers, including Chas. Outler. No man in the west can raise a claim against that of Stecher. Lewis cleaned up on all Eastern wrestlers last winter, defeating Wlodek Zbyszko, Yussif Hussane and Dr. Frank Roller. This gives both Stecher and Lewis a claim on the world championship and the winner of the October 20, match at Evansville will have an undisputed title to the championship at the American style of catch-as-catch-can grappling.

The match in Evansville will be held in the Wells Bijou theater at 8 p. m. Since only 2,200 people can be seated, reservations are being made early. The match will be not only the biggest athletic event ever staged in this section of the United States but will be the biggest American ring event of the year, second in importance only to the bout between Johnson and Willard in Havana last spring.

Lewis will go on the mat at 235 pounds, Stecher at 202.

### Chronic Constipation

"About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. Obtainable everywhere.

### The Modern Farm

I remember, I remember,  
The house where I was born;  
The little window where the sun  
Came peeping in at morn.  
You'd hardly know the old place now  
For dad is up-to-date.  
And the farm is scientific  
From the back lot to the gate.  
The house and barn are lighted  
With bright acetylene,  
The engine in the laundry  
Is run by gasoline;  
We have silos, we have autos,  
We have dynamos and things,  
A telephone for gossip,  
And a phonograph that sings.  
The little window where the sun  
Came peeping in at morn  
Now brightens up a bathroom,  
That cost a car of corn.  
Our milkmaid is pneumatic  
And she's sanitary, yes;  
But dad gets 50 cents a gal.  
For milk that once brought less.  
—Exchange.

The Old Standard general strengthening tonic, GROVE'S TASTELESS CHILL TONIC, drives out malarial poisons, builds up the blood and restores the system. 50 cents.

## ENTHUSIAS- TIC CROWD

Hear Col. Morrow at Masonic Temple, Louisville

Louisville, Ky., October 11.—If a comparison of the Morrow and Stanley speaking in Louisville last week reflect conditions throughout the State, Morrow's majority in November will be twenty thousand.

With three daily papers to advertise it, with unlimited money to effect arrangements and with an army of city and county officials upon whom attendance was compulsory, the Stanley crowd Tuesday night was not larger than the crowd that heard Morrow Saturday night. Morrow's audience was a testimonial to the man and his cause.

In attention and enthusiasm the comparison was marked. To quote the Louisville Evening Post, reference to another speech delivered by Mr. Stanley in Louisville, May 26th, his speech here Tuesday night was so "characteristically vituperative and disgusting" that before he was half through one third of the seats on the lower floor of the Masonic Temple were empty. Col. Morrow closed his address at the late hour of 11 p. m., and not a single seat on the lower floor of that same hall was empty. After the close of Col. Morrow's speech and a throng of enthusiastic admirers were crowding around him to congratulate him, one of Kentucky's distinguished orators, a former Democratic member of Congress from the historic Seventh Kentucky district, warmly grasped Col. Morrow's hand and said, "Col. Morrow, that was the greatest political speech I ever heard."

The effect of that grave compliment, coming from so distinguished a citizen, visibly affected Col. Morrow, who, for the moment wanted language to express his thanks. Truly the grace and dignity, the moderation and restraint, the appeal to human nature in its loftiness and loveliest aspects has never before been approached by a Kentucky orator, and on the street and in the hotel lobbies there were a chorus of praises of Col. Morrow's masterful effort, and a prediction that he would sweep the State in November. Col. Morrow's masterful oration struck terror to the ranks of a disorganized and discouraged Democracy and raised the tide of Republican enthusiasm to its flood.

The man is a marvel and every citizen in Kentucky should hear him in this campaign.

Journalistic Snipers  
Friday morning, the Louisville Courier Journal carried an announcement that Col. Morrow would speak at the Masonic Theatre Friday night. The afternoon Times carried the same announcement. Mistakes will sometimes occur in the best regulated offices but after the first edition of the times that office was notified of its error but refused to correct it, and the Saturday edition of the Courier Journal and Times made no mention of the Morrow speaking Saturday night. This conduct of these newspapers, following the Stanley frost, looks like a premeditated effort to confuse the public and discourage a hearing for Morrow, but the Journalistic Snipers failed of their purpose and the Morrow meeting was one of the largest and most enthusiastic ever held by the Republican party in the City of Louisville.

## RALLY DAY SUNDAY AT M. E. CHURCH, SOUTH

Two Hundred and Twenty-Two Present—Interesting Program

Last Sunday was rally day at the Methodist church. The invitation committee had sent out a large number of invitations and two hundred and twenty two were present. The reception committee met the people at the door and gave them the glad hand and a pleasant smile. A very interesting program was carried out and short talks were made by the superintendent and others. A prize of a beautiful bouquet was offered to the oldest and youngest members of the school and were awarded to Mrs. Jas. Priest and little Margaret Randolph. This school is planning great things for the coming year and a mighty effort will be made to bring the school up to the three hundred mark.

### When Baby Has The Croup

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere.

Recommends Chamberlain's Cough Remedy

"Last winter I used a bottle of Chamberlain's Cough Remedy for a bad bronchial cough. I felt its beneficial effect immediately and before I had finished the bottle I was cured. I never tire of recommending this remedy to my friends," writes Mrs. Wm. Bright, Ft. Wayne, Ind. Obtainable everywhere.

## Like Caesar Did

When Caesar took a westward ride, And grabbed the Gauls of Rome, What was the first thing that he did To make them feel at home? Did he increase the people's loads, And liberty forbid? No, he dug in and built good roads—That's what old Caesar did. Did Caesar put the iron heel Upon the foeman's breast, Or did he try to make them feel That Roman rule was best? What did he do to make them glad He came their lands amid? He built good roads in place of bad—That's what old Caesar did. If any town would make itself The center of the map, Where folks would come and settle down And live in plenty's lap; If any town its own abodes Of poverty would rid, Let it go and build good roads—Just like old Caesar did. —Exchange.

## VISITING NURSE FOR HOPKINS CO.

City Council of Madisonville and St. Bernard Mining Co. Contributors to Fund

At the meeting of the Fiscal Court recently an appropriation of \$60 per month was made for the purpose of establishing a Visiting Nurse Association in Hopkins county. Last Friday the City Council of Madisonville also made an appropriation of \$25 per month and the St. Bernard Mining Co. \$10 per month, so the fund is increasing and a visiting nurse for one year is assured.

The citizens of Hopkins county should realize what an important step this is toward the public health of our county and should have the cooperation of every man, woman and child to make the work a success.

Miss Marion Williamson, organizing nurse for the Kentucky Tuberculosis Commission, is in the county for the purpose of getting the work organized and a permanent nurse will probably be placed here not later than October 15.

### For Indigestion

Never take pepsin and preparations containing pepsin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions carefully. Obtainable everywhere.

## Death Claims

Robert E. Fagan

Robt. Fagan answered the call of the death angel Saturday morning at 11:30 at St. Bernard Hospital after a long illness of Bright's disease. Mr. Fagan was born on the 24th day of July 1869 and was 46 years old. He leaves a father, James Fagan; three brothers, John, Tom and Leo; and two sisters, Sister Mary Thomas O. S. D. and Mrs. Alice Shannon. The interment took place at St. Joseph Cemetery Monday morning at 9:30 from the Church of Immaculate Conception. The many friends of the family deeply sympathize with the family in their bereavement.
